THANKSGIVING TOURNAMENT 2011-2016

FLORIDA, USA

from 23.11.2025 untill 02.12.2025

Based on our years of experience and contacts in all areas of ice hockey in Slovakia, Europe and North America, we became the exclusive partners of Florida Jr. Panthers to field players and teams from Europe to the Annual Thanksgiving Tournament.

Therefor we prepare the selection of players born in 2011-2016 for the teams attending this international youth hockey tournament Florida, USA.

Tournament matches will be played in a modern Ice Den training facility, ex Florida Panthers training center.

Each year, the tournament teams meet from all over the world. Since our team K&B SLOVAKIA STARS has given the opportunity to participate in the tournament this year, do not hesitate to book their place in the selection as soon as the number of participants will be limited choice!

We will visit 2-3 NHL games.

This year our team has once again promised the ability to place players directly to the ice rink to warm up right before the game or/and in during the game activities like “Bench warmers, Team photo on the rink...”
